Final Project Presentation

1. Every team must make a very short (2-3 minutes) on the highlights of their research project

2. Prepare a powerpoint slide presentation with a maximum of four slides
   a. Cover slide (Title, team members)
   b. Introduction/Overview
   c. One or two highlights
   d. Essential conclusion

3. Each team member must speak – so practice your talk and the handoffs from one speaker to the next
